BLIZZARD RAGING ALONG ATLANTIC COAST DISASTROUS TO SHIPPING

Many Lives are Lost In Worst
Storm Known For
Years

[Associated Press by Fed. Wireless.]
NEW YORK, N. Y., April 5.—North
has been heard from the Dutch
steamship Prinz Maritz, for this port
from Southern America in waters, since
she sent out an S. O. S. call for as-
sistance last Saturday, while off Cape
Hatteras, where the blizzard then
sweeping the Atlantic coast was cen-
tral.

The coastguard cutter, Albatross,
which responded to a wireless call for

BLIZZARD DELAYS EGG ROLLING AT THE WHITE HOUSE

KHAKI JEWELRY IS NEW FAD IN LONDON

[Associated Press by Fed. Wireless.]
LONDON, Eng., April 5.—Khaki gold
is one of the fashions created in jew-
elry by the war. The gold is oxydized
into a greenish yellow, and is popular
in the form of safety pins for men's
soft collars. Other novelties now seen
in the Bond street shops are a return
to the old-fashioned gold rings with a
receptacle for a minute photograph or
a lock of hair. These rings are great-
ly in demand among officers at the
front, of whom a large number wear
lockets around the neck containing
keepsakes from wives and sweethearts.
The lockets are worn inside the coat,
however.

Many of the 200 persons in the Ho-
tel D'Angleterre, Copenhagen, had nar-
row escapes when it was destroyed by
fire.

VILLA INTENDS TO HANG ON TO MEXICO CITY

[Associated Press by Fed. Wireless.]
WASHINGTON, D. C., April 5.—
Ismael Pantoja, in charge of the
office of foreign affairs established at
Mexico City by Gen. Villa and Gen.
Zaragoza, telegraphed last night to Gen.
Obregon, Carranza's lieutenant here, Son-
ora, Loreto, that his intent to evacu-
ate the capital is the last thing in
their minds. Rumors that Gen. Obre-
gon, Carranza's lieutenant general, was
advancing on Mexico City and would
occupy it found their way into
circulation from sources friendly to
Carranza.

The French customs duties of \$18
per metric ton on steel rails was sus-
pended by government decree until
further notice.

HURRICANE DAMAGES PANAMA BREAKWATER

[Associated Press by Fed. Wireless.]
PANAMA, C. Z., April 5.—Much
damage to both the east and west
breakwaters was done Saturday by a
hurricane. From the east breakwater,
which was pounded so heavily by a
recent gale that it will take \$500,000
to repair the havoc wrought, hundreds
of feet more were torn out Saturday.
The west breakwater, completed last
year at a cost of \$4,000,000, also was
badly battered.

CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" best for
tender stomach, liver, bowels
—tastes delicious.

Look back at your childhood days.
Remember the "dose" mother insisted
on—castor oil, calomel, cathartics.
How you hated them, how you fought
against taking them.

With our children it's different.
Mothers who cling to the old form of
physic simply don't realize what they
do. The children's revolt is well-
founded. Their tender little "insides"
are injured by them.

If your child's stomach, liver and
bowels need cleansing, give only deli-
cious "California Syrup of Figs." Its
action is positive, but gentle. Millions
of mothers keep this harmless "fruit
laxative" handy; they know children
love to take it; that it never fails to
clean the liver and bowels and sweet-
en the stomach, and that a teaspoonful
given today saves a sick child tomor-
row.

Ask your druggist for a 50-cent bot-
tle of "California Syrup of Figs,"
which has full directions for babies,
children of all ages and for grown-ups
plainly on each bottle. Beware of
counterfeits sold here. See that it is
made by "California Fig Syrup Com-
pany." Refuse any other kind with
contempt—advertisement.

FALLS TO DEATH FROM BRIDGE 200 FEET HIGH

[Special Star-Bulletin Correspondence.]
HILO, Hawaii, April 3.—While mak-
ing his way across the railroad bridge
that spans the Hakalau gulch, above
the sugar mill, on Monday last, Sato
Kisazo, a Japanese, slipped and fell
200 feet to his death on the rocks in
the bed of the stream. The accident
was witnessed by one of the sugar
boilers of the mill who happened to
be looking up at the bridge.

From the story told by another Japa-
nese who was making his way across
the bridge at the same time Sato was
drunk and was swaying from side to
side as he walked on the high trestle.
When half way across the bridge, Sato
made a slip and the next thing that
was seen was his body dashing
through the air. When the man was
picked up dead every bone in his body
was broken.

CHINA YIELDS TO JAPAN DEMANDS, SAYS PETROGRAD

[Associated Press by Fed. Wireless.]
PARIS, France, April 5.—Dispatches
to the Times, the most authoritative
of European news-sources, and the
closest to the French government,
carry word from Petrograd which is
always closely in touch with Manchu-
rian and Chinese affairs, that the ne-
gotiations between China and Japan
were concluded yesterday with what
amounts to complete acceptance of
the Japanese demands.

Under the terms of the agreement
as reported to the Times, Japan is
granted an extension of her lease of
Port Arthur for another 25 years.

All the rights which Germany formerly
enjoyed in the province of Shantung,
Japan is to exercise in the north.
These rights, it is specified, do not
include the acquisition of a sphere of
influence or permission to found colonies,
which China denies that Ger-
many ever was entitled to do.

ern Mexico by the forces of Gen. Car-
ranza.

is too valuable; you mustn't injure it
with drastic drugs.

Pape's Diapiesin is noted for its
speed in giving relief; its harmles-

food—remember as soon as Pape's
Diapiesin comes in contact with the
stomach all such distress vanishes. Its
promptness, certainty and ease in
overcoming the worst stomach disor-

VICE-PRESIDENT WEARS HAWAIIAN LEI AT FAIR

In a letter to Honolulu, J. Walter
Doyle, publicity agent for Hawaii at
the fair, tells about the visit of Vice-
President Marshall to the Hawaiian
building of the Panama-Pacific Inter-
national Exposition. Doyle states that
Marshall was particularly attracted by
the color fish in the building and said
that he would like to make a pleas-
ure trip to the islands. Doyle says
Marshall was pleased when leis were
placed around his shoulders and the
vice president wore the gifts of Ha-
waii under the grounds all day.

The Hawaiian band played this
morning for the legislature at the
Capital grounds and in the afternoon
at the residence of former Governor
and Mrs. Fear for children's Easter
egg rolling. From 4 to 6 it is at the
residence of Dr. and Mrs. Cooper for
the reception of the Montana girls.
There will be no evening concert.

Retiring directors were re-elected at
the annual meeting of the Baldwin Lo-
comotive works in Philadelphia.
Because of the high cost of living,
cemetaries of Paterson, N. J., advanced
the price of graves from \$25 to \$30.

WASHINGTON, D. C., April 4.—Sec-
retary Daniels said yesterday that
he is still hopeful President Wilson
may accompany him when he steams
through the Panama canal on the
Fourth of July at the head of the bat-
tleship fleet. The delegate international
situation forced the president to
postpone his trip and latterly he ex-
pressed doubts of his inability to leave
at all.
